

## Kings Theatre Season Patron

Show your support of the **Kings Theatre 2022-2023 Productions** by becoming a season patron. The purchase of a season patronage will grant you tickets to our KHS Fall play, the KJH Winter musical, and the KHS Spring musical. It is an opportunity to send a "shout out" to a cast or crew member in the show playbill to let them know how proud you are of them. It is also a great opportunity to advertise your business or organization with the Kings community. If your student will be in 2 KHS productions, the season patron level is the best value. Only season patrons have the opportunity to purchase a full page ad.
